EP	Submission/Implementation Status	Status
Condition	-	
2.25	(i) no dredging of marine sediment shall	Under implementation
	be carried out for the Project	
	(ii) all reclamation filling works shall be	Under implementation
	carried out within a leading seawall of	
	at least 200m; and	TI de la carata de la caracta
	(iii) silt curtains surrounding the	Under implementation
	reclamation area shall be deployed in accordance with the Silt Curtain	
	Deployment Plan	
2.26	Implement Silt Curtain Deployment Plan	Under implementation
	and Spill Response Plan	•
2.27	Implement dolphin exclusion zone of	Under implementation
	250m around the reclamation site at Tung	
	Chung East during the installation of the	
	perimeter silt curtains and any re-	
	deployment of the perimeter silt curtains	
2.28	by Qualified Ecologist(s) Once the perimeter silt curtains are	Under implementation
2.20	installed or re-deployed, the Dolphin	Chaci imprementation
	Watching Plan shall be implemented as	
	part of the EM&A programme	
2.29	(i) no underwater blasting and	Under implementation
	percussive piling shall be carried out for	
	the Project; and	TT 1 : 1
	(ii) air compressors and other noisy equipment mounted on works vessels	Under implementation
	shall be acoustically-decoupled	
2.30	Implement Works Vessel Travel Route	Under implementation
	Plan	•
	Implement Eco-shoreline Implementation	Under implementation
	Plan	
	Implement Dolphin Watching Plan	Under implementation
2.31	Implement Plan on Provision of Buffer	To be implemented
	Zones, River Park Plan, Habitat Enhancement and Translocation Plan for	
	Amphibian Species of Conservation	
	Importance, Detailed Preservation and/or	
	Translocation Plan for Plant Species of	
	Conservation Importance and Detailed	
	Compensatory Woodland Planting Plan	
2.32	Implement Plan for review of the use of	To be implemented
	new road surfacing material(s)	** 1
2 22	Implement Waste Management Plan	Under implementation
2.33	Install noise barriers and low noise road	To be implemented
	surfacing at the extended Chung Mun Road and Road D3	
	All noise mitigation measures	
	implemented shall be properly	
	maintained during the operation of the	
	above roads
