## **1. Introduction**

### **1.1 Background**

1.1.1 The Environmental Impact Assessment (EIA) Report (Register No.: AEIAR-196/2016) prepared for the “Tung Chung New Town Extension” (hereinafter referred to as “the Project”) has been approved by the Director of Environmental Protection, and an Environmental Permit (EP) (Permit No.: EP-519/2016) has been issued for the project under the Environmental Impact Assessment Ordinance. The submission of Management Organisations has been prepared in accordance with Condition 2.11 of the EP with the following information which include organisation charts, names of responsible persons and their contact details:

- (a) the management organisation of the main construction companies and/or any form of joint ventures associated with the construction of the Project;
- (b) the management organisation of the Environmental Team (ET);  
and
- (c) the management organisation of the Independent Environmental Checker (IEC) and the supporting team.

1.1.2 The development of Tung Chung New Town Extension (TCNTE), comprising Tung Chung East (TCE) and Tung Chung West (TCW), is a mega-scale and complex project aiming to provide land to meet the future housing economic and social development needs of Hong Kong. Due to the fact that the proposed works are geographically separated, the implementation of mega-scale Project is divided into two packages, namely TCE and TCW respectively. In accordance with the tight delivery programme, the Project will be implemented in phases under separate contracts for the developments of TCE and TCW. This submission only covers the management organizations for TCE. The management organizations for TCW can be found at the dedicated project website: <https://www.env.tcnte-west.hk/en/ep-submissions.html>.

1.1.3 This submission will be revised if there is any update of the details of the management organization for TCE.

2. **Management Organisation of the Main Construction Companies**

2.1 Tung Chung New Town Extension – Salt Water Supply System (Contract No. NL/2020/02)

2.1.1 China Geo-engineering Corporation (CGC) is the contractor appointed to undertake the construction of salt water supply system for the Project. Names of the responsible persons and their contact details are set out in **Table 1** below.

**Table 1:** Contact Information of the Main Construction Companies

Name	Position	Telephone	Email
Tom Lee	Project Director	9468 1358	toml@cgchk.com.hk
Ambrose Kwong	Construction Manager	6198 7787	ambrosekwong.nl202002@gmail.com
Patrick Lam	Site Agent	9227 9872	patricklam.nl202002@gmail.com
Edward Mok	Construction Team Leader	6498 4306	edwardmok.nl202002@gmail.com
Fung Kar Bao, Gabiel	Environmental Officer	9120 1489	gabielfung.nl202002@gmail.com
Peter Ho	Safety Officer	9457 0120	peterhonl2022@gmail.com

2.1.2 The organization chart of CGC required under EP Condition 2.11 is given in **Appendix I**.

2.2 Tung Chung New Town Extension – Major Infrastructure Works in Tung Chung East (Contract No. NL/2020/03)

2.2.1 Build King Civil Engineering Limited (BKCEL) is the contractor appointed to undertake the construction of engineering infrastructure including drainage works, sewerage works (including two sewage pumping stations), waterworks, roadworks (including carriageways, footpaths, cycle tracks and junction improvements), common utility tunnels and landscaping works for the Project. Names of the responsible persons and their contact details are set out in **Table 2** below.

**Table 2:** Contact Information of the Main Construction Companies

Name	Position	Telephone	Email
Lui Yau Chun, Paul	Construction Manager	9095 7922	paullui@buildking.hk
Lo Chun Sing, Aldous	Senior Site Agent	9225 0368	aldouslo@buildking.hk
